New member on Board of Trustees

On 17 December 2013, Swiss Aids Care International appointed Martin Fuhrer as a new member of its Board of Trustees.

Martin Fuhrer (born 1954) has many years' experience working in humanitarian aid and development cooperation. Until the end of 2013, he was Head of the International Cooperation Department at the Swiss Red Cross (SRC). He will soon be taking up a new 50% position, again working for the SRC. Prior to this, he held various functions at the Asylum Organisation Zurich (AOZ) and the International Committee of the Red Cross (ICRC). From 2000 to 2009, he also sat on the Foundation Council of Swiss Solidarity.

Martin Fuhrer: "I have been an admirer of Ruedi Lüthy's efforts in Switzerland and Zimbabwe for many years. His work shows immense humanity, coupled with the utmost dedication and drive. I therefore feel privileged and delighted to be joining the team. While I realise that the really crucial work takes place locally on site, I look forward to making my own small contribution to the success of the projects."

With his wealth of expertise and commitment, Martin Fuhrer is a valuable addition to the Foundation and will provide important impetus in the coming years. The Board of Trustees of Swiss Aids Care International welcomes Martin Fuhrer, and wishes him every success and happiness in his new role.
